

***SEEKING A STORE OPERATOR  
FOR THE EAST CALAIS GENERAL STORE***

*4520 VT ROUTE 14, EAST CALAIS, VERMONT*

Are you looking to become a vital part of a beautiful small town community?

**The East Calais Community Trust (ECCT) is seeking a store operator/lessor  
who will be a creative partner in serving and revitalizing our rural  
communities.**

The local non-profit ECCT purchased the historic building that houses the general store and three affordable apartments in 2020. Thanks to numerous grants and donations the ECCT is currently renovating the building, which is scheduled to reopen in summer 2022. The store will have a brand new deli kitchen and be ADA compliant.

The East Calais General Store building is located along busy VT Route 14 and is the only store between East Montpelier and Hardwick, the gateway to the Northeast Kingdom. Set in a picturesque Vermont village, the store has been an economic anchor and community gathering place since the 1850s.
