

Hi Woodstock and Waterbury friends!

**We're excited to announce that we will reopen our Woodstock location for customer shopping on Tuesday, June 9!** "Phase One" shopping hours will be Tuesday through Sunday (closed Monday), from 11 a.m. to 5 p.m. **Farmers' Curbside** online shopping service is still available for those who prefer not to shop inside the store. We will be evaluating our hours, and our hope is to lengthen them slowly as we assess our staffing. Waterbury is scheduled to open at the end of June.

**In Woodstock, you can look forward to many of the things you've grown to expect:**

- Amazing produce, cheeses & dairy products, grocery items, meat & seafood, breads, beer/wine/cider, and frozen foods.
- Coffee and specialty drinks.
- WFM "staple" bakery items, such as pies, cookies, and bars.
- Friendly, helpful WFM staffers behind the deli counter and at the register.

**But a few things will be different—PLEASE READ CAREFULLY!**

- 1.) We are opening our kitchen slowly. Our "Phase One" kitchen reopen will look like this:
  - Sandwiches will be limited. We are offering only a select group of pre-made sandwiches. Keep an eye to our website; we'll post the new menu on Monday.
  - Sandwiches can be called in but you will need to queue up with everyone in order to purchase them. Sandwiches may be available online at Farmers' Curbside in the future. Please stay tuned.
  - Hot entrees will **not** be available.
  - We will have **limited prepared food items**, such as hummus, salsa, soups, etc., available in our cold case.
  - We will have limited grab-and-go garden salads and deli salads available in pre-packaged deli containers
- 2.) Our bakehouse offerings will be limited at first. To start, we will have bars, cookies, tarts, and pies. Please call us for special requests.
- 3.) Catering is not available at this time.
- 4.) For everyone's safety, we're limiting the number of customers in the store at a time to 15-20. We encourage you to shop alone. At this time we can only accommodate one household member at a time.
- 5.) Plexiglass dividers have been constructed along the deli counter and in the checkout area as added protection for customers and staff. We encourage you to use Apple Pay, Google Pay or other technologies that we support to refrain from using the stylus pen. Also, using cash at this time is discouraged.
- 6.) We ask that you make your visit as speedy as possible to allow your neighbors to enjoy the market, too. And we ask that you only touch the items you're planning to buy.
- 7.) Queuing will take place outside the front door. Please look for a WFM greeter and clear markers that will show where to stand while you wait to enter (if 15-20 shoppers are already in the store).
- 8.) We ask that you remain 6 feet apart from others at all times, whether waiting in line or shopping in the store. Look for the bright yellow floor decals at our store checkout as a reminder.
- 9.) You will be required to wear a mask or face covering while in the store.
- 10.) We're requiring all customers to use hand sanitizer before entering the store. This will be available at our safety & sanitation station outside the front doors. You will not be able to enter the store without doing this. In addition, every basket and cart will be sanitized by a member of our sanitation team before use.

**A very important final request:** Please continue to shop **Farmers' Curbside** (our online grocery shopping service) if you don't feel well, are quarantined, or just don't want to come down to the Market. See [our website](#) for deets. Note: We will have to trim the availability and number of pickup times in order to have enough staff to open the Market to the public.

We realize these 10 items may seem like a lot. **But your safety and the safety of our staff is of utmost concern.** As an essential business, we feel the responsibility to do what's right. Like Governor Scott, we will relax things as we see fit. We are taking baby steps to getting back to "normal"; our entire business model is going through an epic transformation. We greatly appreciate your continued patience and support as we navigate through these rough economic waters.

Please stay tuned to social media and our emails, as we will be sending frequent announcements about new offerings or changes in hours. We will get back to where we were last summer, but it's going to take time.

Thanks for listening. We look forward to seeing you at our Woodstock location soon!

~Patrick, Amelia, Brandon, and all of your friends at Farmers'
