

DISC

Dover Intermediate Service Club

WHO WE ARE

DISC (Dover Intermediate Service Club) is a PTA sponsored club open to all Dover Intermediate School students. Students will have the opportunity to engage in monthly service activities that promote character development and civic-mindedness.

WHAT WE STAND FOR

- **Caring:** We are kind and inclusive. We care about our classmates and help them when they are in need. If we cannot help them, we tell a teacher or an adult who can.
- **Civic-mindedness:** We care about our school, community and world. We engage in service activities that benefit the greater good.
- **Character Development:** We strive to do what's right even when it's tough.
- **Action:** We take action to make things better. We do not ignore problems; we become a part of the solution.
- **Significance:** We believe that every person matters and that every person can make a difference.

PLEDGE TO CARE

As a member of Dover Intermediate Service Club, I pledge to care for my classmates, school, community and world because every person matters and every person can make a difference. I engage in service activities that benefit the greater good while striving to do what is right and taking action to make things better.

REQUIREMENTS

Students must actively participate in **four (4) DISC service activities** AND **two (2) additional service activities** (could be DISC service activities, school service activities or community service activities outside of DISC). Students are responsible for tracking their own volunteer hours and should bring their tracking sheets with them to all service activities and club meetings.
