## **Virtual SPEAK MANDARIN Class Description**

### **Welcome to SPEAK MANDARIN ~**

**Preschool Body & Movement**—Practice your child's Mandarin listening comprehension while exercising and singing along famous Mandarin tunes (parents welcome!).

#### **AGES 5 & Up:**

**Playdoh Model / Club**—Under a Mandarin Immersive Environment, children will use playdoh to create cultural food, Chinese characters, and/or cultural relevant objects. A great way for students to synthesize what they have learned and employ creativity at the same time.

**Virtual Taiwan Tour**—An interactive children-friendly site-seeing tour in Taiwan! Covering and seeing the best of Taiwan with Ms. Kai Ting from Taiwan.

**Kids Fitness in Mandarin**—Practice your child's Mandarin listening comprehension while exercising and having fun (parents welcome!).

**Taiwan Penpals Project**—An international online exchange program with the Taiwan Xiangtan School and SWAN. Every week, through theme-based activity, students will speak and create a one-minute video project to be posted on google classroom. A modern, penpal project to exchange culture, build international friendships, and practice Mandarin!

**Kids Knit (Parents Welcome!)** - A bonding activity for Mother-Daughter/Son to knit and create gifts and/or wearable pieces. Practice your memory, ability to focus and Mandarin skill!

**Chinese Cultural Class**—Learn about how do you celebrate August Moon, Dragon Boat, Qingming Festival and don't forget about the Hungry Ghost Festival. Children will practice their Mandarin language by speaking and listening.

**Conversational Mandarin**—Children are grouped by Mandarin level. Learn functional phrases to order food, greet each other, self-introduction and shop in a supermarket. An activity focused on oral Mandarin skill.

**Kids Hip Hop**—Let loose and have fun in this interactive dancing class. A great physical outlet for children to pop, lock and learn hip hop!

**Math**—Math lesson in English. Students will get to practice current and following school year's math exercises. You will need a printer to print out worksheets.
