Click on the Pencil

6. Answer the Questions

REQUIRED: click on the in each of these sections to update the sections as needed:

Personal Information	Dietary Questions
Personal Profile Data Questions	Emergency Contact

Data Requested by Host - **These are optional but it is highly recommended they be filled in for health and safety purposes at the Jamboree.**

Please visit each data section and confirm existing data is correct (make changes if needed) as well as fill in the blank fields. Be sure to hit save when completed.

All questions with ✳ are required fields. If it's unknown at the moment, write in TBD and go back later when the actual data is known. If there is a date field that is unknown, type in 2000-01-01 as a placeholder until you can get the correct date. You can't save a section without answering all of the required fields.

The data sections are pretty self-explanatory. Here are some of the data field explanations for the "Data Requested by Host" Section.
