

## Jack Pond

### Teaching Arborist, Home Tree Care 101

Jack Pond was born in Washington, DC and grew up in Montgomery County. He has 10 years of experience in arboriculture, in both the private and public sectors. Jack is an ISA certified arborist and holds a Tree Risk Assessment Qualification. He is passionate about trees and their value in our public spaces. Jack is particularly knowledgeable about the importance of street trees as part of the Montgomery County tree canopy. In his free time, Jack enjoys working in his garden growing fruits and vegetables with his family.
