

Dear Brothers and Sisters,

As the holiday season quickly approaches, so does one of the biggest events that the Sons of Pericles and Maids of Athena host! **Greeks in Miami** is one of our most successful events of the year, attracting hundreds of young professionals from across the United States and Canada, and that's in part because of the support we get from AHEPA Family Members and Friends. The majority of our proceeds from weekend packages, tournament fees, and sponsorships go directly to our national project or our other philanthropic endeavors.

Our National Project this year is the **Boys and Girls Clubs of America**, an organization that strives to enable all young people, especially those who need us most, to reach their full potential as productive, caring, and responsible citizens.

We invite you to become a sponsor of our **Greeks in Miami** event to support not just the Sons of Pericles and Maids of Athena, but our National Project as well. Sponsorships are available on an individual or corporate level by filling out the attached form and returning it to AHEPA Global Headquarters, or online at sonsofpericles.org.

All event sponsors will be recognized on our event shirts, social media posts, and throughout the tournament weekend.

The AHEPA Family is stronger when we work together. We gather and educate our members so they may go out and support the community. We aim to make education and philanthropy fun, and we hope you will support us in our endeavor. We offer both personal and corporate sponsorship opportunities that are outlined on the accompanying page. Please consider supporting the AHEPA Family Junior Orders as we endeavor to host a successful event, and feel free to direct any questions to me personally at the below email or phone number.

Fraternally,

Alec Economakis
Supreme President
