## April Outreach

**To help those in Rolling Fork, Silver City, Amory, and Wren, who sustained significant losses in the recent tornado, we will be collecting Walmart gift cards of any amount. Please bring them to the church office as soon as possible. We will forward them to points of contact in each area.**

## More Disaster Relief Information

---

The Episcopal Church in Rolling Fork, Mississippi, was severely damaged in the recent tornado. All twenty of the families who worship there experienced great loss or damage.

Other towns in Mississippi that experienced devastating loss included Silver City, Amory, and Wren. Our disaster relief coordinator for the diocese is The Rev. Deacon Cathy Halford, and she sends these instructions:

- To do hands-on work for tornado damage, please sign up on the website Mississippi VOAD (Voluntary Organization Active in Disasters). However, more information will be sent out when the town opens up for work.  
<https://www.mississippivoad.org/>
- You may collect Walmart gift cards or send donations to the Bishop's Discretionary Fund on the website ([dioms.org](http://dioms.org)).

Cathy will keep us updated through the clergy list serve as well as the diocesan website.

We ask you also to keep all those who were affected, as well as all responders, in your prayers daily. Our bishop offers the following:

Lord Christ, you proclaimed the kingdom of God in villages, towns, and lonely places: Grant that your presence and power may be known at this time in Rolling Fork, Amory, Silver City, and all other areas suffering from the ravages of the storms. Bless those who died, soothe those who suffer, give rest to the weary, and give hope and strength to all during the recovery effort for your love's sake. Amen.

*The Rt. Rev. Brian R. Seage is the Bishop of Mississippi*

## Reflection from Deacon Pam

---

Easter is almost here! Growing up going to church in a different denomination, Easter Sunday meant wearing a new dress to church (and gloves and purse and shoes and hat), having a big family “dinner” after church, and hunting real dyed eggs with my cousins in the backyard. Our church had never heard of Maundy Thursday, made a slight note of Good Friday, and didn’t make much use of Hallelujah on Easter Sunday but substituted a few extra-loud AMENs during the sermon. It was a special day and one we all enjoyed.

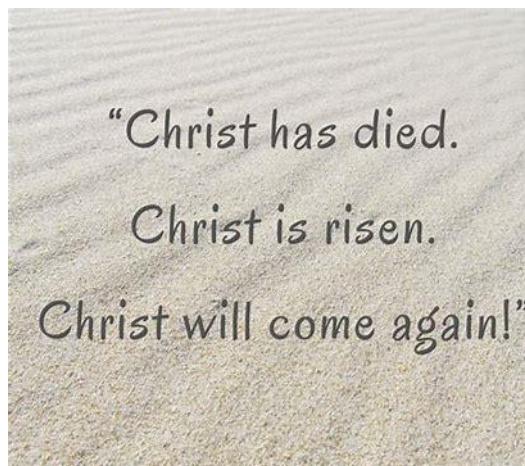

In the Episcopal church, we do things a lot differently. There is a Palm Sunday Processional which takes us from the Courtyard into the church and then leads us into Holy Week. Maundy Thursday, Good Friday, and Holy Saturday mark the last three days of Jesus’s life on this earth and together are called the Triduum. On Easter Sunday we celebrate the resurrection of our Lord with loud, stored away, Alleluias, colorful flowers on the crosses, first communions, loud AMENs, and hymns of praise and glory to the God who created us and gives us eternal life. The children will flower our outside cross and have their egg hunt between services.

I think it is important that we do not isolate Easter Sunday as a celebration unto itself, but experience the fullness of its meaning by fully participating in Holy Week and the entire Triduum as much as we can. The tears we may shed during the stripping of the altar on Maundy Thursday, or as the bell tolls in the spiritual darkness of Good Friday, can be dried only by the sunrise (sonrise) of Easter Sunday, giving us rebirth, renewal, and the greatest hope for the future of our church, our community, and our world.

A lot has changed through the years, but one thing remains constant; “For God so loved the world, that he sent his only begotten son, that all who believe in him, should not perish, but have eternal life.” And that is what makes every Sunday throughout the year, a little Easter. As Christians, we are resurrection people because we believe those words and these of the Eucharistic prayer, “Christ has died, Christ is risen, Christ will come again.” Thanks be to God!

Peace,

Deacon Pam

All you have to do is read your Bible!

## "THE POET THINKS ABOUT THE DONKEY"

On the outskirts of Jerusalem  
the donkey waited.  
Not especially brave, or filled with understanding,  
he stood and waited.

*How horses, turned out into the meadow,  
leap with delight!  
How doves, released from their cages,  
clatter away, splashed with sunlight.*

But the donkey, tied to a tree as usual, waited.  
Then he let himself be led away.  
Then he let the stranger mount.

Never had he seen such crowds!  
And I wonder if he at all imagined what was to  
happen.  
Still, he was what he had always been: small, dark,  
obedient.

I hope, finally, he felt brave.  
I hope, finally, he loved the man who rode so lightly  
upon him,  
as he lifted one dusty hoof and stepped, as he had  
to, forward.

+ Mary Oliver

## EDUCATION FOR MINISTRY

Education for Ministry (EfM) is a unique four-year distance learning certificate program in theological education based upon small-group study and practice.

The program invites participants into small, mentored groups that provide the framework for understanding life and shaping actions as Christian faith is deepened. EfM seminar groups meet in local settings and online, and provide a four-year curriculum that develops a theologically informed, reflective, and articulate laity.

If you are interested in having this program return to St. Paul's in the future, please email
