## **Shannon Juhani, CFA**

**Vice President, Senior Analyst, Private Credit**

**Years of investment experience: 24; Years with firm: 8**

Shannon Juhani is a vice president for the private credit team at Voya Investment Management, responsible for underwriting, negotiating, and managing private credit transactions on the investment grade fixed income team. Prior to rejoining Voya, he was a director of energy credit products with SunTrust Robinson Humphrey, where he held both risk and portfolio management roles in the energy sector. Previously, Shannon was a member of the private credit team at Voya. Prior to that, he worked in public equity and fixed income asset management with Buckhead Capital Management, and he served as a senior consultant in turnaround and restructuring advisory with CRG Partners, now Deloitte CRG. Before that, Shannon held several positions in private credit with Prudential Capital Group, supporting underwriting and negotiating of private transactions across investment grade, below investment grade and mezzanine assets. Shannon earned a BBA from the University of Georgia in finance and marketing. He is a CFA® Charterholder.
