Stories of America and Texas: Foundational People, Events, Places, Ideas, and Traditions

3x5x1 Model

3 grades (K-2nd) build the foundation of the stories of America and Texas.

5 grades (3rd-7th) present a deep dive into topics within a shorter time span within grades through a layered and chronological approach connecting world, U.S., and Texas history. From grades 4 through 7, student expectations spiral back to connect to content introduced in prior grades. World Cultures/Geography will be taught in Grade 3-7 where appropriate.

1 grade (8th) captures all prior content for a deep dive capstone course synthesizing the history of Texas and America as leaders in the nation and world.
