President's Message

Our next meeting and class will be Wednesday, January 15, 2020!

With the New Year brings a new slate of officers. These officers will take office officially at the installation dinner on Friday, January 10, 2020. President-elect Dan Spada will do a fine job as president for the next two years. He has a great slate of officers to assist him in guiding BOCONEO to continue to be the premier building official organization in Ohio. Dan's and the Board's success will depend on your support also. Be a **participant** in the Organization rather than a spectator.

This is my last newsletter article as president. As my tenure comes to an end, I want to express my sincere gratitude to all of you who have supported me over the last two years. It has been my pleasure to serve this organization as President.

First Vice President's Report

Happy New Year to Everyone.

I hope everyone had a safe and relaxing end of year. As my last report as Vice President I want to thank everyone who has volunteered their time in helping BOCONEO and making the last two years an enjoyable experience. I also want to thank the nominating committee and my fellow members for electing me to the President's position. I look forward to being a part of the day to day operations of BOCONEO and continuing the hard work and commitment put in by all of our past board members to make BOCONEO the top organization in Ohio. I am excited and look forward to the challenge that comes with the new role.

As we start this New Year I saw a piece on the news that we all might want to take into consideration. As we sign and date our inspection sheets or plan reviews it might be in the best interest to write out the full year. The news piece pointed out that if you simply just write "20" as the year it leaves it open for someone to write numbers after it, say "2018, 2019, 2021, etc.". In our field this could potentially cause some confusion or allow for different code requirements depending on date of approvals.

Best wishes to a happy and healthy 2020

Daniel Spada
First Vice President

From Your Secretary

Happy New Year!

Thank you to those who have sent in their 2020 dues and applications. Please remember that we do need an application for all members and dues are due by March 1, 2020.

The email you provide on your membership application is where you will receive newsletter and certificates, please be sure to keep us updated of any changes.

Please remember to swipe in for each meeting as this is how your certificates are generated. If you attend a roundtable and plan to attend the general afternoon session, you must swipe in again for the second portion.

If you have not received a membership card or need a new card, please let me know at sign in table. Replacement cards are \$10.

The meeting link for monthly meeting is available on the website around the first of the month.

Scholarship application is available on the website. Deadline for submittals is January 31, 2020.

Please check the website for job postings. If you need a posting put on website, please send to me in a word doc, mferrante@seuclid.com.

This month's educational presenter

President

Michael Gero
Independence

Instructor: Robert J. Laneve, Air Control Products

First Vice President

Daniel Spada
Geauga County

Mr. Robert J. Laneve is the primary instructor for our courses. He is a degreed mechanical engineer with experience in private consulting, manufacturing, and application engineering. Throughout his career he has successfully communicated ideas, concepts and technical information to clients, peers, and end users. This has been accomplished by the following methods:

Second Vice President

Russell Rodic

Secretary/Webmaster

Monica Ferrante
South Euclid

Application Engineering: learning lunches for mechanical consulting engineering offices, (2001-Present) individual engineer training sessions and co-worker training presentations to large groups at industry conferences

Treasurer

Laura Heilman
South Euclid

Manufacturing and Service: design review meetings, multi-media presentations to Technical end users and distributors, project group meetings

Education Chairmen

David Faciana
Olmsted Township

(1995-2001)
Private Consulting: (1992-1995) project meetings, potential client meetings and co-worker instruction

Cooperating Member

Mike Girbino
Mayfield Village Fire Dept.

On a routine basis Robert provides application direction to the design engineering community and assists in the selection of components.

Past President

James Decker
Mentor

He has obtained numerous factory training certifications from Price Industries, Greenheck Fan Corporation, and Antec Controls.

David Faciana
Education Chairman
