We are looking for MDs/DOs/NPs/PAs who will sign off on VHSL sports physicals for the 2025-2026 school year! Could it be you?!

SEE BACKSIDE FOR DETAILS!

**In order to make this night a success, we look for medical professionals throughout the community to volunteer a few hours of their time. As this is our primary fundraiser for the year, the amount of students we can bring in depends solely on how many MDs, DOs, LNPs, and PAs are willing to spend the evening helping us with the screening process.**

**We will provide dinner starting at 4:45pm and hand out snacks throughout the evening. We ask that volunteers be at their designated station by 5:40pm and plan to finish up no later than 8:00pm. Those qualified to sign off on physicals will see roughly 25-30 students throughout the evening. In addition to the providers, we have several certified athletic trainers, physical therapists, nurses and EMT/Paramedics supporting the event in collecting anthropomorphic data, vision screening, as well as orthopedic and posture screening stations prior to seeing the physicians. As a thank you, you will receive a small gift the night of, and we will list your practice and contact information in a take home pamphlet provided to all families!**

**We do not receive designated funding from the county or our schools, so we rely heavily on fundraising to replenish supplies for each school year. Please scan the QR code below to sign up!**
