

## **USSDA Boys Update**

As we enter into March, the USSDA boys' season is well under way. Although the weather has been not favorable, the DA program has still maintained a busy schedule.

The level of play through all age groups has been positive with some defined patterns in all of our teams leading to some positive results.

As the Director of the program it is good to see a style of play being endorsed by every team and our coaching staff collectively installing the game principles set out in our player development model.

Last weekends games away at NC Fusion saw the teams' full potential coming to the surface leading to positive results across the age groups with some exciting soccer being played.

During March and April, the program offers its ID sessions for any new players that are interested in playing at the Elite level. Please find below the complete session schedule. To register please contact myself ([sgummer@charlottesocceracademy.com](mailto:sgummer@charlottesocceracademy.com)) and go online at [www.charlottesocceracademy.com](http://www.charlottesocceracademy.com)

Congratulations to **Noah Churchill** ( U14 USSDA GK ) who has been selected to attend the US YNT region camp in New Jersey during April. This camp is an identification process for the full U14 National Team.

Noah has had an impressive season so far and has improved dramatically over the last 6 months. Noah also has attended many US Soccer Market Training Centers.
