Upcoming Events & Announcements

- This week's Chick-fil-A gift card will be awarded to the student who becomes the 300th follower of the @bchsstudentlife Instagram account!
- Good luck to our Mock Trial Team at this weekend's State Championship!!!
- Service Hours - All Christian Service hours need to be completed by April 15!
Please check in with your student(s) to see how they are doing in completing their hours. If they have not logged any hours, it's time to get to work! For more information, including grade level-specific expectations and suggested service opportunities, please visit <https://www.bishopchatard.org/ministry/service/>. Please direct any questions to Joel Kelley (jkelly@bishopchatard.org) or Libbie Steiner (lsteiner@bishopchatard.org).
- One Bread, One Cup - All students are invited to consider attending One Bread One Cup this summer from June 26-30 at St. Meinrad Archabbey in southern Indiana. Come to OBOC to become a better leader, to connect with students from across the nation (and from BCHS), to develop your faith, and to have a lot of fun! Attending OBOC will equip you to lead well at your church and here at school, as well as set you ahead of other students for BCHS Campus Ministry positions in the future. It costs \$400 to attend, but scholarships are available if money should be an issue. Please let Mr. Kelley know ASAP if you are interested!
