

On Monday, Jan. 27, we begin Catholic Schools Week 2020. Catholic Schools Week is a nationwide celebration sponsored by the National Catholic Education Association. This week-long celebration gives Catholic schools the opportunity to honor pastors, students, teachers, administration, support staff, alumni and parents who contribute to the success of our Catholic schools.

This year's theme is "Learn, Serve, Lead, Succeed." Throughout the week there are daily themes that we will focus on, and pay tribute to the value of Catholic education. Aligned with these daily activities will be faith formation activities, coupled with fun activities, for our Trojans.

Beginning on Thursday, Jan. 23, Mr. and Mrs. Bach will speak to students to kick off a service hour contest which will run until the end-of-the-day on Thursday, Jan. 30. Students will be eligible for prizes. More details to follow.

Please join me in making Catholic Schools Week 2020 our best ever!
