Bishop Chatard High School

Hello Bishop Chatard Family!

It's been an amazing first quarter of the 2026-2027 school year! From the freshman drop-off spectacle to navigating construction reroutes and expansion, to the melodies of *Sounds of Silas* at the Annual Fund, to packed stands at sporting events and so much more, it's a great time to be a Trojan!

I am reaching out today on behalf of the Trinity Club prayer team. The purpose of The Trinity Club is to support our families through service, prayer, and connection. Over the summer months, we have been asking the Holy Spirit to help us discern the best way for the broader Trojan community to be knit together in prayer. After all, we are a family, and families pray together.

We also recognize that each of us is constantly pulled in many directions at once. We are called to fulfill commitments to our families, our parishes, our work, this school community, and many others as well. Of course, these commitments do not have to be obstacles to prayer; they are places where prayer can take root. As Mr. Hasty reminded us at the beginning of the school year, "While the world changes, the cross stands firm." These words come from our Catholic monastic tradition, but what do they mean for busy families in 2026 with our many important commitments?

For us, standing firm means keeping our Lord at the center of each commitment. It means faithfully living our vocations: loving our families well, worshiping together at Sunday Mass, offering our professional work to God as a prayer, and opening our hearts to deeper friendships.

In that spirit, we invite each Bishop Chatard family to consider joining us for an opportunity to grow in faith and community over the course of this school year. Quarterly Dad's Breakfasts, Moms gatherings during Lent and Advent, and our monthly Trinity Club Rosary are great opportunities to share faith as a BCHS community. If these opportunities don't fit your schedule, perhaps you could choose one small way to strengthen our community through prayer and friendship. That might mean talking with another school family about prayer, committing to pray for one another and for the intentions of the broader Chatard community, offering our day's labor as a prayer for the intentions of the Bishop Chatard staff, or simply introducing yourself to another BCHS family after Sunday Mass.

We hope these simple practices will help the Flame of Love spread throughout our community, drawing us closer to Christ and to one another in prayer. Will you join us?

#Go Trojans!
