

To the BCHS Community,

On behalf of the Bishop Chatard High School Board of Regents, welcome to the new school year! We hope it is going well for all of you. It is my privilege to serve as Chair of the Board of Regents for this year. As we start the new year, I wanted to send a short note to you with some personal thoughts as well as advise you of the Board's role and responsibilities.

My wife Cindy and I have four daughters, all of whom have graduated from Bishop Chatard. We are not originally from Indianapolis and thus had very little familiarity with the high schools when we moved here. When it was time to choose a high school for our family, Bishop Chatard was easily our choice based on its commitment to faith, academics, and community. Bishop Chatard was absolutely the right choice and we have cherished our time here. It is all of you who make the difference at Bishop Chatard.

For your information, the Board of Regents is a "limited jurisdiction" board, which means that we have specific purposes set forth by the Archdiocese of Indianapolis. Those purposes are to set and monitor the school's strategic plan, approve the budget, and provide a review of the school president to the Archdiocese. The other governance matters are within the province of the Archdiocese, and the management of the school is the job of the administration. The Board meets several times a year to carry out its governance responsibilities, and we hope to further the mission of Bishop Chatard as best as possible.

I want to thank all of you for sending your children to Bishop Chatard as it is a commitment to your child's present and future. I would also like to thank the Bishop Chatard faculty, administration, and staff for their dedication and hard work - please know they all care for your children.

Below is a list of all the Board of Regents members. Should you have any questions or comments with respect to Bishop Chatard, please feel free to let any of the Board members know. We welcome your feedback. Have a great 2019-20 school year!

Thanks and God Bless,

Gregg Wallander, Chair  
Bishop Chatard Board of Regents
