

Christmas Wreath

Looking to brighten your front door or maybe one in your home for the upcoming holiday? One of these wreaths will be perfect! Hello, my name is Cat Nowak and I am working with Heritage Todd Creek with an unique opportunity this holiday to purchase or make your own wreath! Feeling crafty you can purchase one of these kits, I do all the cutting and provide you with YouTube videos to walk you through the process. Or you can choose to purchase a completed wreath. Each wreath has three different colors of mesh and 11 to 12 different ribbons.
