LEADERS IN RESEARCH SEMINAR SERIES

Speaker: Sandra Davidge

February 28, 2019 | 4:00 p.m. | ECHA 1-490

**It started with a question and a passion...
Sandra Davidge's visionary research within
cardiovascular maternal health and the
lessons she's learned along the way**

As the executive director of the Women and Children's Health Research Institute, a Canada Research Chair and a Distinguished University Professor, Sandra Davidge's path has included drive, curiosity and leadership. Hear about her journey to becoming a renowned researcher and her pioneering work in pregnancy complications in cardiovascular health.

Refreshments and networking to follow.
