

2026 Woodbury Fall Festival Parade Lineup

Saturday, October 3 – 5:00 pm Start

Parade Lineup Information

Please share this email and the attached document with everyone in your group. The lineup list and staging map show each group's lineup number, check-in location, staging area, and assigned arrival time.

Parade Guidelines

- Please maintain a steady pace and avoid large gaps. The Police Department will periodically pause groups to allow traffic to cross at designated streets.
- The MC will acknowledge every group as it passes the stage, whether or not the group is performing. If your group performs, please resume moving as soon as your performance is complete.
- **Participants are not allowed to throw candy or other items.** Candy may be handed directly to spectators only. Children must stay out of Broad Street, and the roadway must remain clear in case an emergency vehicle needs to exit the parade. Violators will be asked to leave the parade and will not be invited back in the future.
- **Fire trucks and other emergency vehicles: Please keep horn and siren use to a minimum.** We have received complaints from spectators and participants in previous years. Excessive noise can hurt people's ears, frighten young spectators, and create confusion about whether an emergency is occurring. Violators will be asked to leave the parade and will not be invited back in the future.
- **Do not park on Colonial Avenue.** Please have as many members of your group carpool to the lineup area as possible.

Arrival and Check-In

Broad Street will close early this year for a 5K Run/Walk beginning at 3:30 PM. Please keep this in mind when planning your arrival.

Arrive during the time assigned on the staging map. If you arrive outside your assigned time, use caution around other participants and leave additional room to accommodate groups moving through the area.

Each staging section is identified by a color on the map and matching cones. When your group checks in at its assigned location, you will receive a numbered cone to help nearby groups identify their positions. You will also receive a lineup card that must be displayed where the judges can clearly see it.

Lining Up

Please line up in numerical order, with lower numbers ahead of you and higher numbers behind you. Leave enough room for any groups that have not yet arrived.

Two groups will join the parade farther along the route:

- **#29 – SE4SK** will join at **Dickerson Street**. As **#30 – Okinawa Kenpo Karate Academy** approaches this location, please be mindful of SE4SK waiting to enter and allow the group to join ahead of you.
- **#33 – Road Runners Club of Woodbury** will join near Inspira. As **#34 – West Deptford Soccer Club** approaches this location, please be mindful of the Road Runners waiting to enter and allow the group to join ahead of you.

Please follow parade volunteers' directions so these groups can safely join in their assigned positions.

Please remain in your assigned staging area until a parade volunteer directs you to move.

Weather Updates

Please keep an eye on the weather leading up to parade day. Updates will be provided as needed, including any changes to the event schedule.

Thank you for your patience and cooperation in helping the lineup and parade run smoothly!

For questions the evening before or on parade day, please email lmcilver@woodbury.nj.us.

Best,
Liz McIlvaine
Community Events Coordinator
City of Woodbury
