

PUT YOUR FAITH INTO ACTION

Please support hurricane relief efforts

The highly-active 2024 hurricane season has caused an untold amount of destruction. Following Hurricanes Helene and Milton, the toll on individuals, families and communities has been devastating, and recovery will take years. Episcopal Relief & Development is working with partners throughout the southeastern United States to reach impacted people wherever they may be, including those who have been displaced from their homes.

Episcopal Relief & Development's Hurricane Relief Fund is an important tool for responding to immediate needs and supporting long-term recovery.

Please prayerfully consider how you might **support those affected by making a meaningful gift to Episcopal Relief & Development's Hurricane Fund**. Your generous donation will **help communities to rebuild** the lives of those impacted by these storms.

Episcopal Relief & Development partners with faith and community organizations to advance lasting change in communities affected by injustice, poverty, disaster and climate change. Inspired by our faith, we focus on four interconnected priorities: nurturing the potential of caregivers and young children, reducing violence against women and girls, strengthening communities' resilience to climate change and facilitating humanitarian response to disasters.

Thank you for joining us in Working Together for Lasting Change.
