

Northwood's Commission for In-Person Worship met recently to review its guidelines. Despite the recent increase in reported cases of COVID, no significant changes were recommended for The Session's consideration. While wearing a mask for worship remains optional for those who have vaccinated, the Commission encourages everyone to make an informed decision based upon current guidelines as established by the CDC and the Florida Department of Health. Northwood's in-person worship practices and precautions are also available for review on the church website.
