

Moving Forward

Fulfilling the Message and Mission of Christ

Soon you will receive an invitation to renew your support of God's continued work through Broadway Christian Church and its many ministries and services. It is hoped that you will prayerfully consider and accept the invitation to make a confidential financial pledge to support those ministries and services of Broadway. For many at Broadway, giving is second nature...we are such a generous congregation! But we are all on different paths in our journey toward becoming a "cheerful giver." Maybe this is your year to increase your gift. Maybe this is your year to pledge for the first time. Maybe this is your year to begin putting a few dollars (anonymously) in the offering plate.

If success can be measured in a church setting, it might look a lot like Broadway. We are a church with a place for everyone, regardless of ability, gender, race, or orientation. We are working hard to be a resource for others in our community. But we want to do more. We want to continue to be the hands and feet of Christ in a hurting world. We want to continue to offer opportunities for growing and maturing faith in our children, adult members, and friends. We want to prayerfully keep **Moving Forward** and share the Spirit that has long been a part of Broadway's ministries.

However, we also ask you to take another step beyond your generous pledge or your financial support. You will find, for the next few weeks, an *Opportunities Tree* outside the sanctuary with opportunities of service at Broadway. We estimate there are over 1,800 chances to *volunteer your time and talents* to serve with Broadway. Check it out! Pick one (or more) of the colorful opportunity cards, ones that interests you, ones that may be a new way to serve, or ones that you hold dear. You will find them hanging from the tree, please complete the requested information and drop it in the basket. You keep the bottom portion for your information. A leader from your chosen area(s) will contact you later and discuss your opportunity to serve.

We are at a pivotal point in Broadway's life. It will take all of us, **TOGETHER**...members, friends, children, and young adults...all of us...to continue **MOVING BROADWAY FORWARD** in the name of Christ. Think and pray about it...**WHAT WILL YOU DO TO HELP AND MAKE A DIFFERENCE?** Thank you for being a partner in the Ministry and Mission of Broadway Christian Church.

Sincerely,
The Stewardship Campaign Committee

Charlotte George, Darlene Miles, Kimberly Kenney, Dorothy Sprouse,
John Poehlmann, Rick Frost, David Holmes
