A note from the staff: As technology continues to change, so do the software systems and tools we use to communicate, plan, and share information with our congregation. Some recent software changes and shifts in technology availability are requiring us to make adjustments to the way our Worship Guides are delivered and shared.

We know that changes in technology can sometimes feel frustrating or confusing, especially when a system or process that has worked well suddenly changes. Our goal is to find a system that works well for our congregation, is accessible, and allows us to continue sharing worship information in a consistent and meaningful way.

Thank you for your grace, your patience, and your understanding as we navigate these changes together. We are grateful for a congregation that continues to show up, adapt, and make space for one another as we worship and serve together.

Postlude

We go now to serve and celebrate where love leads.
If you are a visitor with us today, please let an elder or deacon know:
we would like to share a visitor packet with you.
We know God has many names and manifestations in our lives. As we sing and pray in unison, if you wish to use different names or pronouns for God, we welcome you to do so at Broadway Christian Church.
