

## Transitional Minister Search Committee Update

The Transitional Minister Search Committee is pleased to bring you an update on our progress. We are grateful so many have made their voices heard and provided valuable input to be considered in hiring the right transitional minister. We have recently finished our second committee meeting where we carefully and prayerfully reviewed all your comments from the four listening sessions; the many email and notes; and the dozens of transitional ministry surveys we received.

These three areas were placed in highest priority:

**Maintaining Viability** – Continue with Broadway's many programs and outreach.

**Preaching** – spirit-based preaching that speaks to us personally.

**Fellowship/Connectedness** – facilitate ways for increasing fellowship throughout our services.

It is the committee's plan to have our Congregational Profile/Transitional Minister Calling paperwork completed and submitted by the end of October. The input we have received from our congregation is an integral part of this process. We will then be able to start the interview process to find the right person to help us transition into the next chapter of the Ministry and Mission of Broadway.

Your thoughts and prayers are truly appreciated as the committee continues moving forward.
