

## **Worshiping Safely at Broadway**

- Worship will be held in the Outdoor Worship Area, following social distancing parameters. Please bring lawn chairs or blankets for seating - the bench seating will be used for our worship team and musicians.
- Masks or face coverings are requested while entering and exiting the worship area but can be removed when you are seated. However, please wear your mask while singing or during responsive readings.
- A limited supply of cloth face masks will be available, made by the loving hands of Broadway members.
- There will be no adult, youth or children's Sunday School.
- There will be no offering or provided communion. However, you may bring your own communion elements to share with family members. An offering box will be available for donations.
- CLC restrooms will be available. There will be no access to the rest of the church.
- In the event of rain, our outdoor worship will be moved into the Christian Life Center. There will be no additional access to the church campus.
