## VBS Extension Program 2019

For families that prefer an all day program, we are proud to offer an extension program for afternoons after the regular VBS schedule ends at noon. This program will be run by Lexi Wolkow. She is currently director of Mizzou's Adventure Club program at Russell Elementary School. Lexi, with the help of several college students, will oversee a myriad of activities to keep your student busy from Noon to 6 p.m. This program is open to students, who are entering kindergarten - completed 5th-grade. Registration is limited to 25 students and will cost \$75 a student. While this program's curriculum is still being determined, the following has already been set:

- Hours of supervision will be from Noon to a pick-up time no later than 6 p.m.
- The majority of the activities will take place on church premises. You will be notified, ahead of time, if any activities are scheduled to take place off site.
- Students will need to bring sack lunch that will be kept in a cooler and eaten at Noon.
- An afternoon snack will be provided.
- A light dinner will be provided on Thursday evening before the VBS ice cream social at 6:30. Parents and siblings are invited to share in the meal together. Please RSVP with the number that will be participating on the registration form.

Registration is first come first serve, so make sure to get your registration in early!

## VBS Extension Registration 2019

Please complete the front and back of the registration form and return it to the BCC Church Office **by Sunday, June 16.**

A registration fee of \$75 to cover extension activities and personnel expenses.
