## Annual Meeting & Chicken Dinner Is June 23

We have a lot to celebrate, Broadway!

Broadway Christian Church will celebrate the strength and resilience of our congregation and our ministries to the community, nation and world, at our Annual Meeting and Chicken Dinner on Sunday, June 23, at 11:45 a.m. The

dinner and meeting will immediately follow a combined worship service at 10:30 a.m. in the Sanctuary.

If you know a little Broadway history, you already know that our members were sharing meals together in an empty field, long before a shovel of dirt was turned! Our Chicken Dinners are a 61-year tradition, and we honor those founding Charter Members by continuing to meet and share delicious food as we end another productive church year.

Our June 23 Sunday morning will begin with a combined worship service, bringing all of us together in the Sanctuary to share music, message and communion. Following worship, we hope to see everyone making their way to the Fellowship Hall for the Chicken Dinner. After everyone has a full plate and has found a seat, the Annual Meeting will begin. Broadway members will bid farewell to outgoing Board members

and Officers, Elders and Deacons—ending with a vote on Broadway's 2019-2020 operating budget.

Fellowship Ministry will coordinate the Chicken Dinner, and ask that you bring a side dish, salad or dessert to share. The Fellowship team will have Lee's Chicken as our

main course, and also prepare green beans to supplement the pot luck. Cost for the meal is \$5 per person, or a \$20 family maximum. If there is leftover chicken—and what's better than cold fried chicken for leftovers? - it will be sold following the Annual Meeting.

We hope that you will be a part of this Broadway tradition! Join us on June 23 for, as our 50th Anniversary Cookbook says, "Food, Faith and Fellowship"!

From muddy puddles after spring rains, to swimming pools opening up on Memorial Day weekend, to our daily rituals of allowing warm water to run down our bodies, there is something special about water. And in the church, there is something special about particular waters.

There is something uniquely special about Baptismal waters where we are saturated in the Holy in covenantal and binding ways. In these life giving waters we find rejuvenation and renewal. There are waters all around us, within us, under and over us. Water is a sustaining force of life, spirit and unity. Which is why it makes Pentecost and our tradition of baptisms on the birth of the church so special.

It's been an absolute gift to walk alongside, teach and share with our pastor's class students since we began meeting after Ash Wednesday. It's a joy to see the relationship that have flourished between them and the older congregation members who have served as their mentors. I have loved hearing what questions they have, about their desires, or not, to be baptized at this time. One of the students shared with me why she wanted to be baptized and I wish I had recorded the conversation, because I could have just printed that here instead of my article because of how it was wonderfully articulated. I won't do her justice, yet with all truth and honesty she looked at me and shared because 'it matters to me as I want to connect with God!'

In the busyness and business of the church, we can get caught up in small and large issues of our lives shared together. We can be burdened by questions about transitions, fears about what comes next, and the very real worries of life. Yet then in profound ways these waters can bring us back, back into the holiness of the present moment. God, of course, is present at all times of our lives, in every moment, self-giving in relationship, yet here God reveals the mystery of God is still beyond everything.

If we are eating, drinking, sleeping, working, God is powerfully present and working for us in loving activity. All is sacred as we are bombarded by God loving us. Yet as God is 'inside' the stuff of each moment, God still finds unique ways, through symbols, in the church we call them sacraments, to make visible signs in material things and gestures along with words to lead Christians into effective encounters with Jesus Christ.

So is true in the waters of baptism, there we can see fresh hope and endless love with which we encounter the living God operating in self-giving ways on our behalf. Through it we can relinquish control and stretch into the joy of total abandonment and dangerous wonder of the Spirit.

This weekend at our annual baptism retreat and baptism Sunday, we will get to reflect together, each of us as we move into a knowledge beyond all human knowledge to 'see' God as touching us through these waters. In joining us this Pentecost Sunday you will be invited, baptism candidate, or visitor, to touch the waters of baptism, to feel the joy God is offering you in the cool wet moment. These waters are not a cure, yet they are an invitation to see God around you. Maybe it will remind you of how our God has shows up for you before in tangible ways. Maybe it is for you a new event, where you feel God refreshing you.

Let this be your invitation to make it a big YES as God calls you to risk and live in trust staking everything on God's loving fidelity for you. Too often we tend to skip ahead of the present moment or live under the fear of past moments. But on Sunday let each of us join the eternal circle around the sacramental waters of baptism to hold ourselves in the present moment with our Living Lord as long as we can together.

## Stewardship + Planning = One Broadway Budget!

Thank you  
Broadway  
members and  
friends for

**YOUR** generous giving  
Spirit during Broadway's  
SOARING campaign!

We don't celebrate the  
stewardship of Broadway  
members and friends

financial commitments enough. Our stewardship and financial gifts make possible the mission and ministry that radiates from 2601 West Broadway. It shares the good news of the Gospel through worship, community involvement and support, member growth, justice, group support, youth involvement and many other ways (ask Leslie Clay for her scroll of the finer details). Our giving is used to help our brothers and sisters by providing a place to be taught, coached, counseled, lifted up and even a warm meal and place to sleep.

Through the missions of Broadway supported by you, we can become the catalyst for positive change' combining everyone's investment of time, talent and money. This church-wide investment is multiplied by completing connections within and beyond our members. Pastor Nick Larson has pointed out that over \$80,000 of new and increased pledges should be celebrated as tangible evidence of God's spirit moving in and among our members and friends.

Broadway's historical averages for pledged and unpledged giving are important components of planning worship, teaching and mission work for the coming year. Our proposed budget of \$849,940 for the '19-'20 church year (beginning July 1, 2019) will:

- maintain four ministry areas at current levels;
- give a tithe to Mission and Outreach;

# SOARING!

## '19-'20 Stewardship Update

### 220 Pledges

### \$750,220 Pledged

- Take reductions in two ministry areas where savings could be found;
- provides funding for a Lead Minister;
- provides for expected increased costs for our property management and maintenance.

This is a sign of witnessing for our God that everyone who enters our fellowship should see. Thank you for your continuing prayerful support of Broadway and its ministries.

Chair of the Board & Congregation

## *Time to Review Your '18-'19 Church Year Pledge*

Broadway's 2018-2019 church fiscal year will conclude on June 30, 2018. Now is a good time to review your current year's giving—just to ensure that it is on track and will fulfill your pledge by June 30.

As Board Chair John Poehlmann said in the above article, Broadway's ministry areas depend on all of us making and fulfilling our pledges to ensure that all of our faithful efforts continue until the close of the church year. A pledged gift is especially important, since all of our pledges are combined to provide the majority of ministry area funding. A shortfall in pledged giving can mean a scramble to find needed funds at the end of the year.

Thank you everyone who supports the ministries of Broadway Christian Church!

## Congregation to Vote on Bylaw Revisions in June

At the June 23 Annual Meeting of our congregation, we will vote on revisions to update our bylaws. We owe sincere thanks to Sara Miller, Brent Ghan and Steve Westgate for their counsel in recommending updates. Further review was given by the Executive

Committee before the Board had the chance to review them and accept them at the April 23 meeting.

Many of the changes were initiated to reflect the spirit of congregation members voiced at listening sessions in January and February as well as the Special Board Meeting February 12. Common in these proposed edits are changing "Senior Minister" to "Lead Minister" and spreading leadership roles among clergy. Other multiple edits remove wording no longer needed for committee member rotations originating in 2010.

I want to call your attention to some that I feel are important:

**Art III Membership:** [Confession of faith] is added to baptism and transfer of membership as a way to become a BCC member

**Art VII Governance:** Requirement to hold a special Board Meeting is changed from ten to thirty days because ten days conflicts with the required time to advertise a called meeting (V.B). VII.3.d gives the board the ability to create and change names of Ministry areas. VII.9 provides for the Board to vote via email if all members agree in order to act expediently on an item without a special Board Meeting.

**Art VII D.2 Church Ministry Areas** allows Ministry area chair and vice-chairs to serve two additional terms

on the board as a way to continue leadership yet provide for fresh membership on the board and resolve problems the Nominations Committee often has in filling positions.

**Art X Employment of Staff** adds [/

commissioned] to ordained when recognizing clergy of Broadway. X.1.b moves the dismissal of a Minister to the authority of the Congregation.

There will not be a mass distribution of the bylaws and if you desire a written copy of proposed changes there will be copies at the Welcome Station, in the office for you, and on the website.

John Poehlmann

Chair of the Board & Congregation

## Lead Minister Search Committee Task Nears Completion

Through Broadway members' feedback, the position description was shaped between Fall, 2018, and February, 2019, to arrive at a profile of leadership described in the Position Description. Specifically stated is Lead ministry in a collaborative model, primary preacher and worship leader, spokesperson to the community, coordinator of Christian Education, adult ministries, conducts weddings and funerals, pastoral care and counseling.

Review and prayer over twelve applications focused the field on three candidates, each a respected leader in churches of our size or similar. Conversations have been productive with one specific candidate matching the needs our members voiced. Commitment to a multi-cultural and diverse congregation was demonstrated and the candidate embodies the values clarified by our members as well as lives and leads in a manner of following Christ that parallels our own beliefs. References checked describe a life that radiates the relational love Christ shared with his disciples.

It is our hope that the Lead Minister can be announced at the Annual Meeting and be here late summer or early fall.

There have been times in the history of the United States that have left us with images and memories that we might prefer to forget. The fire hoses and attack dogs of Birmingham. The bridge into Selma. A bombed-out church in Atlanta. Or perhaps it is the photo of five black men, all pointing toward an unseen assassin, standing over a fallen Martin Luther King, Jr. on a motel balcony in Memphis. Those images and memories are worth remembering, and worth the re-telling.

Our Disciples Civil Rights Pilgrimage, August 8-14, will take participants to these iconic sites in the struggle for racial justice in the 1960s. The trip has been organized by Don Day and Disciples Regional Minister Paul Koch, and will include members of Disciples churches across the Mid-America Region. The initial cost for the trip is \$600; however, Disciples participants will receive a “rebate” after all trip expenses have been paid.

The group will leave from Columbia, traveling on a 40-passenger charter coach. The registration fee includes transportation, lodging and admission to museums and historical sites. At most of the hotels

along the way, a free breakfast is available, as well as an early evening hospitality hour—so breakfast and depending on your appetites—dinners could be provided.

**You must register and make payment in full by Sunday, June 30.** A deposit of \$100 should accompany your registration, with the balance paid by July 1.

If you have questions about the trip, please contact Don Day, 474.5539, or [dday@centurytel.net](mailto:dday@centurytel.net). Registrations may be turned in to Ingrid or Debby in the church office. A detailed itinerary is available in the *Broadway Weekly* e-news.

If you were in any doubt that Broadway's 2019 Vacation Bible School is on the prowl, now hear this! Last week, many of Broadway's youth spent their afternoons in the Loft preparing the VBS skits—yes, the skits!!

Our 2019 VBS is definitely on its way to an elementary school student near you! Our ROAR VBS has been moved to a little earlier spot on the summertime calendar—July 8-11, from 8:30 a.m.- Noon. This year, our VBS kids will explore the animals of God's wild creation. Our older elementary-aged participants will once again travel off-campus. There will be exploring of the wild places surrounding Columbia, with a little help from our friends at the Missouri Department of Conservation!

For parents who need a full -day option for childcare to allow their children to come to VBS, we are offering an Adventure Club-style "after-VBS" care option. This afternoon care is available at an additional fee of \$75, and is limited to the first 25 elementary-age children who

register.

Registration brochures are available online at Broadway's website, in the Broadway Weekly e-news, or at any Welcome Center. Please register your children no later than June 16 to allow Ms. Aimee and Ms. Debbie time to plan and prepare!

## *Elder Training Is June 22*

Greetings New Broadway Elders!

We will be holding a training session for new elders on Saturday, June 22 from 9:00 am to 11:00 am in the sanctuary. During that training we will be conducting a walk-through for both the 9:00 am and 11:15 am services along with a discussion on your role in home communion and the Lenoir Service. We also will be available to answer any questions you may have regarding your role as an elder at Broadway. Serving schedules will be available by that time. Thank you so much for your service in this important leadership capacity. Hope you see you on June 22 and let me know if you have any questions.

## Take A Trip to Puerto Rico with MOM

As a kid, road trip with your mom were a great adventure—you just never knew what surprise was around the next corner!

This fall, Broadway's MOM (Mission and Outreach Ministry) will take a little road trip, well, it will involve an airplane as well—to Puerto Rico for our fall mission trip. During the week of October 19-26, a group from Broadway will travel to the island to assist with hurricane recovery efforts.

This trip will be coordinated by Disciples Volunteering, with work activities, lodging and meals organized by an on-the-ground mission station coordinator. Our mission team will be housed at a Disciples youth camp, and the team will be transported to work sites each day.

Costs for the mission team while it is in Puerto Rico

will be covered by funds allocated by Mission and Outreach Ministry. Participants will be responsible for transportation costs to Puerto Rico, which will likely be between \$500-\$700. Travel arrangements will be made through the church office.

The group will likely be working on homes damaged by water and wind during the 2018 hurricane season. Expect a lot of dry wall replacement, painting and roof repair during the trip!

If you would like more information, contact Debby in the church office, 445.5312, or [dgraham@broadwaychristian.net](mailto:dgraham@broadwaychristian.net). Wayne Dykstra will serve as our team leader for the trip.

October is only four months away—let us know if you would like to join the team!

## Helping Our Neighbors in Jefferson City

The tornado that struck Jefferson City and Elson on May 22 was powerful and destructive. The Community Christian Church in Jefferson City was badly damaged, and the congregation is unable to hold worship in its home until repairs are made. Currently, Community is holding worship at First Christian Church in Jefferson City.

Last Saturday, the call went out for volunteers to assist with debris removal on the church property. More than 80 volunteers answered the call, including Jim Granneman and Wayne Dykstra from Broadway. Thank you to both of these dedicated volunteers for helping!

## Highlights from the May Board Meeting

The Board of Broadway Christian Church met for its regularly scheduled meeting on May 28 At 7:00 p.m. in Fellowship Hall.

### Information Items

**The Settled Minister Search Committee** report was given by Co-Chair, Charlotte George. The committee has completed its review more than 20 applications, narrowing the field to the five candidates. The Search Committee then unanimously selected its top candidate. The Committee is currently in negotiations with the selected candidate.

**The Stewardship Committee Update.** Church Administrator Ingrid Luckenbill reports that as of 5.28.19, the church has received 187 pledges for a total of \$687,650. She expects that more pledges will be made in the coming weeks. She noted that there were 17 new pledges in the total.

### Action Items

- Approved a Permanent Funds disbursement of \$1954.24 to provide compensation for a Contemporary Service Worship Leader during the time that Pastor Terry Overfelt is on sabbatical. Her sabbatical will begin 6-8 weeks

after the new Lead Minister arrives at Broadway.

- Approved an increase in the reimbursement rate for use of the Broadway buses. The rate increased from .20 to .30 per mile.
- Approval of the 2019-2020 operating budget. Board Chair John Poehlmann presented the \$849,839 budget, which he noted contained a operating deficit of \$36,018.57. However, this budget maintains the 10% reduction in Ministry Area funding that was implemented in Fall, 2018. The budget includes no staff raises, but does include funding for the new Lead Minister position. After some discussion, the budget was passed unanimously.

Ministry Area reports were included in Board packet materials. A complete copy of Board minutes is available on the Broadway website, in the *Broadway Weekly*, or upon request a printed copy will be placed in your church mailbox.

## Service to Honor Transition Moves Us Forward Together

The sudden departure of Tim Carson in August, 2018, left many Broadway members sad, angry, confused, bereft—or some combination of those emotions and more. While many of our members have moved to the new steps and are ready to welcome a new minister, some are not. The Sunday, June 2, Service to Honor Transition was an opportunity for many to speak and be heard regarding their feelings of lingering loss. If you were unable to attend Sunday's service, but would like to share your feelings with others, please contact Pastor Terry.
