

We are expanding telehealth services for all UnitedHealthcare and Oxford clients

## Telehealth Policies

Last update: March 17, 2020

Effective immediately, UnitedHealthcare is expanding our policies around telehealth services for our Medicare Advantage, Medicaid and Commercial membership, *making it even easier for patients to connect with their health care provider.*

UnitedHealthcare will waive the Centers for Medicare and Medicaid's (CMS) originating site restriction for Medicare Advantage, Medicaid and commercial members, so that care providers can bill for telehealth services performed while a patient is at home.

This change in policy is **effective until April 30, 2020**, but we may extend that date if necessary and will communicate through all appropriate channels.

This policy change applies to members whose benefit plans cover telehealth services, and will allow those patients to connect with their doctor through audio/video visits. *Member cost sharing and benefit plans apply.*

UnitedHealthcare will also reimburse providers for telephone calls to existing patients, as described below.

**Until April 30, 2020, UnitedHealthcare will reimburse appropriate claims for telehealth services under the following codes:**

Until April 30, 2020, UnitedHealthcare will reimburse appropriate claims for telehealth services under the following codes:

For all UnitedHealthcare commercial plans, any originating site requirements that may apply under UnitedHealthcare reimbursement policies are waived so that telehealth services provided via a real-time audio and video communication system can be billed for members at home or another location. UHC will reimburse telehealth services, which are:

1. recognized by CMS and appended with modifiers GT or GQ and (2) recognized by the AMA included in Appendix P of CPT and appended with modifier 95. Reimbursable codes can be found embedded in the reimbursement policy at [Telehealth and Telemedicine Policy](#)
2. UnitedHealthcare will also reimburse for patients to communicate with their doctors using online patient portals, using CPT codes 99421-99423 and HCPCS codes G2061-G2063, as applicable.
