

UnitedHealthcare to Cover Cost of COVID-19 Diagnostic Tests

UnitedHealthcare will waive member cost sharing, including copays, coinsurance and deductibles, **for COVID-19 diagnostic testing** provided at approved locations in accordance with CDC guidelines for all commercial insured, Medicaid and Medicare members. UnitedHealthcare will also work to support self-insured customers who choose to implement similar actions.

- For more details, follow this link:
<https://www.uhc.com/health-and-wellness/health-topics/covid-19>
 - **NOTE:** The **diagnostic testing** will be covered with no cost share, however, the applicable cost share will apply to the office visit itself.
-

UnitedHealthcare has also produced the following recorded content related to the COVID-19 coronavirus. This 2 minute educational video was created in partnership with internal physicians and subject matter experts from UnitedHealthcare and UHC Global and provides basic information about COVID-19, how to protect yourself from the virus, and where to seek ongoing updates and can be shared with your employees. The content, sourced from the World Health Organization and the U.S. CDC, is appropriate for audiences worldwide.
