

2019 Chattanooga Development Symposium

August 6, 2019

REQUEST FOR SPONSORS

You are invited to sponsor the 2019 Chattanooga Development Symposium. This ONE DAY Seminar Event is designed to provide knowledge, understanding, and positive networking among those involved with development in the Chattanooga Area. This event provides attendees with opportunities to network with hundreds of professionals and to share knowledge, lessons learned, and understand best practices & policies used in the development field. Attendees will include land developers, civil and environmental engineers, surveyors, landscape architects and consultants, professionals from the real estate and banking industries, land use planners, local and state government storm water managers, policy makers, administrators and regulators.

The following sponsorship opportunities are available:
