

<b>Narrative Practice: Creating Space for the Details</b>	<b>Champions of Children Conference</b>	<b>ChildFirst Spring</b>	<b>Advocate Round Table</b>	<b>TF-CBT</b>
This forensic interview specific training is the practical application of the semi-structured narrative process. This training is offered for previously trained forensic interviewers.	This 11 <sup>th</sup> annual conference will feature 14 local, state, and national speakers. Topics chosen are timely to MDT teams, and challenges surrounding serious physical and sexual abuse cases seen at CACs.	ChildFirst training enhances the education of front-line child abuse professionals. CAC affiliated MDT members will learn this protocol and how to properly conduct a n forensic interview.	These less structured meetings are designed for advocates to network, and share ideas on overcoming challenges they experience.	TF-CBT is an evidence-based psychotherapy approach. Attendees of this training are required to continue their education with twelve on-going follow-up consultation calls.

<b>Child Sex Trafficking Forensic Interview Training</b>	<b>NCA Accreditation Training</b>	<b>How to Best Support Kids at Trial</b>	<b>Director's Conference</b>
Develop the skills and techniques to conduct developmentally appropriate forensic interview with victims of child sex trafficking. Review victim-centered interview methodology with special emphasis given to understanding the factors contributing to child sex trafficking victimization, and the impact on development and the effects of trauma. Learn to gather information about technology, and child pornography.	This training is geared towards CAC Directors and those responsible for NCA accreditation. Training will be provided by experienced NCA site reviewers who were or are current Chapter Directors.	This training is for forensic interviewers, attorneys, and therapists to learn how to support the child victim through the court process. Forensic Interviewers will gain a deeper understanding of their vital role in the court process. Attorneys will enhance their knowledge in motions to file in CAC child victim cases, and how to use all members of the team for court. Also, the therapist role in court will be examined, and how to use this vital witness.	An opportunity for CAC directors to receive support and training, as well to share ideas. CACI strives to present relevant topics to bolster the organizational capacity of its member centers.
