

# Delta Dental of Colorado System Upgrade

## Billing Calendar

For many of our groups, there will be some adjustments to billing cycles which will impact both when invoices are generated and when payments are due. We have outlined the changes below to show the invoicing and payment due dates. The calendars that follow offer a sample of scheduling. Be sure to refer to the titles for each calendar to determine which applies to your type of group.

If you have any questions regarding these billing changes, please feel free to reach out to our billing department at **billing@ddpco.com** or 303-889-8618.

### Fully-insured groups:

- If you receive a monthly invoice, there is no change to your billing cycle.
- If your payment is made via draft on a monthly basis, that will now occur only on the first business day of the month. There will no longer be an option to have your payment draft at any time.
- Monthly premiums will be the upcoming month will be invoiced on the 7th business day

### Self-funded groups:

- There will be changes to when your bills will be generated and when they will be due.
- The calendars below will help guide you through the new dates.

#### Weekly:

- Claims will be invoiced every Tuesday and drafted every Wednesday.
- Final claims will be invoiced the last day of the month; drafted the first day of the following month. (If the last Tuesday of the month falls within the same week as the last business day, the final claims invoice will include all claims filed since the prior Tuesday.)
- Admin fees will be invoiced on the last business day of the month, and drafted on the 15th of the following month.

#### Monthly:

- Claims and admin fees will be invoiced the last day of the month; drafted on the 15th of the following month.

### All groups:

- If the first day of the month or the 15th falls on a holiday or weekend, invoicing/drafting will default to the next business day.
- If the last day of the month falls on a holiday or weekend, invoicing/drafting will default to the previous business day.
- All groups will now be charged and credited for any retro eligibility changes incurred in that billing cycle.
