Learn the language of dreams
and do dream work in a non-threatening and safe space.
Your dreams can reveal areas in your life that require self-care.
They can enlighten you about problems with which you are wrestling.
They can reveal your part in promoting the healing of relationships.

Facilitator Laurie vandenHurk has more than 30 years of experience
in community outreach, spiritual development and group facilitation.
She is deeply respectful of the spiritual journeys of all persons
who seek wholeness for themselves and a better world for all.
