

A Report on Generosity

EPISCOPAL
DIOCESE of FLORIDA

The Diocese of Florida serves as a steward of assets and is responsible for the care and use of church resources. This publication is a special listing of those who have generously provided gifts to our Diocesan campaign, *Procession—Unified In Mission* through March 20, 2019. With over \$13 million received in gifts, pledges, and bequests to date from many within and beyond our Diocese, this campaign has been directly used for our Diocesan ministries in support of their efforts in training disciples and growing the Church. Although we have accomplished much, God's call to transform ourselves and the world around us continues. Through *Procession—Unified In Mission*, we must support the continued growth of a strong, resilient, growing, and joyful Diocesan community, as we bond together through Christian formation, youth ministry, identification and development of lay and clergy leadership, and service to those in need.

In order to fulfill God's call to our future ministry, we are continuing our ambitious and successful effort to raise funds for our Diocesan vision of increased growth and strong evangelism through the Diocese of Florida Foundation's campaign, *Procession—Unified In Mission*. We are encouraging everyone in our Diocese as well as those beyond our region who have an interest in supporting our vision, to invest in this bold fundraising initiative. This campaign will begin a legacy of renewed Diocesan ambition to grow more faithful and Christ-filled disciples who will be called to transform the world. Regardless of the donation amount, we encourage your faithful generosity. Instructions for gift opportunities and ways to give are located on the Diocese of Florida Foundation's website at www.diocesefl.org.

In everything I did, I showed you that by this kind of hard work we must help the weak, remembering the words the Lord Jesus himself said: "It is more blessed to give than to receive."

Listing of Generous Donors by Ministry

1838 Society

In recent years, faithful Episcopalians have included the Diocese of Florida Foundation in their estate plans. In recognition of such commitments, these supporters who document a specific or residual bequest provision of at least \$10,000 will be recognized through the Diocese of Florida Foundation 1838 Society, so named for the year the Diocese was formed.
