

A Nearly 50 Year Village Tradition Returns

What had become a summer tradition in the Village of Williamsville since the late 70's was interrupted due to the covid pandemic in 2020. The Summer Carillon Concert Series was resumed by Calvary Episcopal Church one year ago to the delight of many who enjoyed, not only the music, but the camaraderie of joining friends and neighbors on Wednesday evenings to hear the Neiderlander Carillon being played by carillonneurs from around the world.

This year, all are invited to bring a chair and come to the Kryder Courtyard, located through the double doors off the parking lot, to enjoy, not only the carillon concert, but additional musicians who will perform in Hughson Hall, accessed by an elevator to the second floor, as well as in the church.

July 23 will feature Carillonneur Laura Ellis (USA, Florida) followed by The cool stylings of the Calvary Singers in Hughson Hall

July 30 will feature Carillonneur Trevor Workman (UK) followed by the University at Buffalo Guitar Studio in the church

August 6 will feature Carillonneur Michelle Lam (USA, Michigan) followed by Williamsville High School Students in the church

August 13 will feature Carillonneur Andrea McCrady (Canada, Ottawa) followed by Kindred, Irish Duo in the church.

Please join us for the four Wednesday evening concerts at 7:00 pm.

For additional information please contact <mailto:general@calvaryepiscopal.net> or 716-633-7800.

ALL ARE WELCOME!
