

Membership at Crystal Cove Conservancy is about more than access. It's about experience.

In 2026, members are invited to explore Crystal Cove State Park through a curated series of events designed to help you pause, look closer, and return again and again. From seasonal traditions to our new Discovery Series, each gathering offers a way to deepen your connection to the park and see it in new ways.

Discovery Series

Small-group, educator-led experiences designed to help you build skills, ask questions, and explore the park with greater confidence.

Birding 101 APRIL 2026

Tidepooling 101 MAY 2026

Nature Photography 101 JULY 2026

Hiking 101 OCTOBER 2026

Backpacking 101 NOVEMBER 2026

Seasonal & Special Experiences
