EDINBURGH CHRISTMAS MARKET 2023

DAY 1 – London to Edinburgh via the East Coast Mainline

We are planning to depart diesel hauled by vintage Deltic from London Kings Cross heading up the East Coast mainline to York where we stop to change to our steam locomotive which will take us onwards to Scotland. Continuing our journey northwards with distant views of the Yorkshire Moors and the Pennines, followed by Durham

Cathedral and Gormley's famous sculpture, the Angel of the North.

As we approach Berwick, the Royal Border Bridge comes into view as it curves high above the river. From here the line runs for miles along the cliff tops before descending to the Scottish Lowlands to arrive at Waverley Station.

DAY 2 - In Edinburgh

The first of two days to enjoy the many delights that Edinburgh has to offer from its picturesque Christmas market laden with gifts for all to its stunning City centre including its iconic medieval castle, Scotland's crown jewels and St Mary's Close.

DAY 3 - Another chance to explore Scotland's Capital City at

leisure, which holds two UNESCO designations and the option to join a 5 hour lunchtime steam hauled excursion over the Forth Bridge, around Fife and Alloa.

DAY 4 – Edinburgh to via the East Coast Mainline

On the return journey, we depart in morning steam hauled leaving Edinburgh and the Scottish Lowlands behind we head south running along the cliff tops. As we approach Berwick the Royal Border Bridge comes into view curving high above the river Tweed before stopping at York where we pick up our vintage Deltic locomotive. arriving back into London Kings Cross in the evening.
