NCSE 2020 Annual Conference

Science in Environmental Decision-Making

NCSE 2020 Annual Conference

January 6–9, 2020 | Omni Shoreham Hotel, Washington, D.C.

NCSE will mark its 30th year as an organization in 2020 by mirroring the theme of our inaugural conference, **Science in Environmental Decision-Making**, and will engage more than 800 leaders from the sciences, education, government, policy, business, and civil society to foster a dialogue across these sectors on environmental policy- and decision-making with the use of science.

The NCSE 2020 agenda includes keynote and plenary sessions, concurrent sessions and workshops, poster presentations, flash talk presentations, and valuable networking time. Confirmed speakers include: **Dr. Marcia McNutt, Dr. Michael Crow, and Dr. Freeman Hrabowski.**

NCSE 2020 Annual Conference

Science in Environmental Decision-Making

Continue the conversation at the NCSE 2020 Annual Conference.

SSF webinar attendees can use the code **15OFFNCSE** to receive 15% off NCSE 2020 registration.

Advance registration deadline: December 4
Registration closes: December 20

This code is not applicable to a Member Institution faculty/staff registration or a student registration.
