How a party is structured:
A party is 2 hours long. We arrive 30 minutes before the lesson starts to meet and mingle with our students, we teach for an hour and we stay for 30 minutes after the lesson is done to help your guests keep the party going, answer any questions, or book the next party. If you and your group of friends want to take your dancing to the next level, it's a popular option to "house swap" where you trade off who's hosting and we continue to teach you more and more of the dances of your choice!

Menu of Dances:
Waltz, Tango, Foxtrot, Rumba, Cha Cha, Samba, East Coast Swing (triple or single-time), Salsa, Mambo, Bachata, Merengue, Cumbia, Portuguese March and 2-Step, Country Swing, Country Waltz, Country 2-Step, Night Club 2-Step, Foxy, 4-Count Hustle ***& MORE!***
