

Autism *friends & family* Forum

The first Wednesday of every month

The Autism Friends & Family Forum meets to support family members and friends who provide care and guidance to adults (17+) with an autism/asperger profile. Discussion topics will include helping to manage care as needed while supporting the independent life of an adult with autism.

The Forum is facilitated by Linda Manning and is for parents, caregivers, friends, and extended family in western Massachusetts, but participants from other areas in Massachusetts are also invited to join.

Date/Time: The first Wednesday of every month, 7:30 pm - 9:00 pm

RSVPs are required for this online event. Register [HERE](#).
