**How long have you been a LC member and what prompted you to join?**

*I joined LC in 2019. Being new to management and leadership, I felt it was important to learn as much as I could about leadership and connect with others in similar positions.*

**How has membership in Leadership Council been of value to you?**

*Being a member of LC, I have met so many people and been able to learn with and from them about leadership, developing teams, and share ideas for personal and organizational growth.*

**What is the best leadership advice you have received or given?**

*Lead By Example. Absolutely the best advice ever received and modeled by a CEO I used to work for years ago. I have never forgotten her example of leadership and I aim to continue that example myself.*

**Has your agency developed any notable partnerships, initiatives, and/or collaborations with other organizations (for profit or not for profit) to further your agencies work?**

*Nothing just yet, but there are lots of ideas and dreams in the works 😊*
