

"Great is His faithfulness; His mercies begin afresh each day." As we move into 2023, I am reminded of the verses from Lamentations 3:22 & 23, "the faithful love of the Lord never ends! His mercies never cease." They are in stark contrast to Lamentations 3:1-21, which for several paragraphs laments how hard life can be. Brian Alnes has been gone for one year now. And as it is proper to lament such a great loss, it is also proper to see God's faithful love and mercies. I am a morning person and I see each new day as a new beginning; expectant and anticipating God's faithful love and mercies and what that can look like. There is plenty in the world to lament...wars, inflation, injustice, and minus 30 wind chills. But I along with the author of Lamentations invite you to see God's faithful love and mercies as we enter 2023. I believe God has special plans for Lake Beauty Bible Camp this year as we rely on Him.
