

The Program Department has been busy this time of year! Phil (as our pseudo Program Director), Tori, and I have hired twenty-five summer staff so far and are looking forward to the swiftly approaching summer. Despite all the snow on the ground, we know that June is a mere three months away. We are excited to be preparing for our Summer Staff Training along with making improvements to the summer programming.

This winter season is also the promotional time of year. The three of us have been coming and going to different churches on Sundays and Wednesdays. We are sharing what the purpose of Summer Camp is and how a week at camp can impact children and teens, as well as being a highlight of their summer. The L.I.T. application for interested high school students is still open and we have been praying for who the Lord has in store for that two-week discipleship program this summer.
