

Mission Friend,

As we close out another year of ministry, we want to pause and celebrate God's faithfulness and your partnership in making camp possible. Because of your support through prayer, encouragement, and giving, Lake Beauty Bible Camp has continued to be a place where the hearts, minds, bodies, and souls of guests can encounter the living God.

I was recently speaking with a member of one of our churches who has seen a resurgence of young people coming to their church this fall. When I asked what the motivation of this had been, she was quick to tell me that a few kids had attended Lake Beauty this summer and came back transformed by God's redemptive works and sharing his good news with their friends, inviting them to youth group and church along the way!

Like many ministries, however, our expenses are rising; for example, insurance alone has increased by more than 20% this year. At the same time, we are attempting to keep camp affordable for families, which means holding camper rates down as much as possible. This is only possible because of faithful partners like you.

We want to commend our incredible staff. This year, they worked exceptionally well within the budgets that were presented and entrusted to them. They not only managed expenses carefully but also gained valuable experience in making thoughtful, mission-minded financial decisions.

As we look to the future and rising costs, we need to raise \$100,000 before the end of the year to close the gap in our operations budget. Your year-end gift will ensure that Lake Beauty continues to be a place where lives are transformed by Christ in powerful ways.

Proclaiming Jesus, Reflecting His Love

Here's how you can help us reach this goal:

- 5 people/families giving \$10,000
- 5 people/families giving \$5,000
- 10 people/families giving \$1,000
- 20 people/families giving \$500
- 50 people/families giving \$100

Every gift matters, and together, we can meet this goal. Would you prayerfully consider where God might have you join in? You have faithfully given to Lake Beauty in the past, and I will be reaching out in the upcoming weeks to talk more about the amazing things God has done here and more about your connection with this special place. Humbly Serving,

Pastor Phil Tolbert
Executive Director
