

## LAKE BEAUTY MINISTRIES

25766 Hummingbird Trail | Long Prairie, MN 56347 | P (320) 732-3218 | [www.lbmc.com](http://www.lbmc.com)

It has been such an amazing thing to be back in the swing of camp this Summer. The first 3 weeks of camp have been absolutely amazing. Our Summer Staff have connected together in powerful ways. They are All In and Committed to the Call to be here this Summer.

Campers are making decisions to follow Jesus. We have people getting excited about our new prayer cabin! Guests simply call ahead and rent this small cabin for a personal retreat and be alone with God for a day or two - no power, not internet. Simply a notebook and a Bible, fresh water and whatever a guest may want to bring along. We are hoping to have commitments to continue to build 5 more by Fall. Cost is \$5000.00 per cabin, pictures are below. These cabins will be located near the outdoor chapel.

The excitement that was in and throughout this place during 4th of July Family Camp could be cut, it was so thick. It was hot, but the water felt great. We couldn't have fireworks due to the fire ban and NOBODY cared as they were all hanging out with family and friends, and that's why they came to LBBC.

It is such an amazing feeling. As we have said in many past newsletter articles, God has been faithful through this whole crazy deal. And, through our conversations with guests, we are feeling even more blessed to be able to see His Hands at work as the camps and retreats progress through the summer.

We still have lots of camp sessions going on this summer, so keep us in your prayers. Pray that God would show up in powerful ways for the campers and for the staff as well. It has been a growing summer for many already.

Thank you for your love and care of LBBC.

Totally consumed by His call,  
Brian
