

## November 2022 Newsletter

### LBBC Board of Directors

Greetings from the LBBC Board of Directors. I have just a few brief comments to share with you as October draws to an end. I will provide you with updates from the Annual Meeting in next month's newsletter.

- The Board of Directors is busy putting the final details together for the LBBC Annual Meeting on October 29<sup>th</sup>. We look forward to meeting with the delegates from our member churches and together, faithfully planning for 2023 and beyond.
- The posting for the Executive Director position is still open. Applications will be accepted through December 1, 2022. If you know someone who would be a good fit for this position, please talk with them or point them to the LBBC.com website for details about the position. Finding the right person for this position is so important to the future of Lake Beauty Bible Camp.
- Please keep Lake Beauty in mind as you consider a year-end charitable contribution. Lake Beauty always has needs for equipment, scholarships, upgrades to our facilities, staff development, just to name a few. Also, if your church has not blessed camp with your annual support commitment yet, please encourage them to do so before year-end as that contribution helps to significantly offset our operating costs.
- Please keep Lake Beauty in your prayers. Pray that the Holy Spirit will powerfully lead the next Executive Director to Lake Beauty. Pray for our staff who are already preparing for 2023. Pray for our Solid Rock students and staff. Pray for the Board of Directors who continually have important decisions to make. Pray that God will continue to provide all of us with the wisdom to see his plan for Lake Beauty and the courage to faithfully carry it out.

Blessings and Peace,  
Paul Zahasky, LBBC Board Chair
