

## **January 2023 Newsletter**

### **LBBC Board of Directors**

Greetings from the LBBC Board of Directors and welcome to 2023! The Board begins each new year with a renewed sense of anticipation and energy for what God has in store for Lake Beauty Bible Camp. I believe this will be a year when He assembles all the pieces and parts that will equip and renew Lake Beauty for the next chapter in God's plan for this camp. Hang on and watch what only God can do!

Since the last newsletter, Lake Beauty has formally purchased the home and property previously owned by Marcia and Leland Sheneberger. The camp's newly acquired home will ultimately be available for staff housing.

The Board continues to actively work on its high priority task of filling the Executive Director position. I am grateful to Dr. Keith Krueger for his willingness to extend his commitment as the Interim Executive Director until February 28, 2023. The Board is also preparing for its first meeting of the new year on January 13 and 14.

Please continue to pray for Lake Beauty. Pray for our amazing staff and our wonderful volunteers. Pray for wisdom and discernment for the Board as we continue to provide governance and direction for Lake Beauty Bible Camp.

Blessings and Peace,  
Paul Zahasky, LBBC Board Chair
