

This quote by an anonymous Senior High camper sums up both the power and excitement camp has to offer its guests:

“It is the best thing ever, and I look forward to it every year like 5 months before it! Camp is the perfect place for Christians wanting to expand their faith in the Lord and even during chapel just singing helps me feel the power of the Lord.”

Camp is more than just a place; it is an encounter with the living God. It is a place of transformation where children, youth, and adults step away from the distractions of daily life and find themselves immersed in a community that fosters faith, growth, and discipleship. At Lake Beauty, we see firsthand how God moves through people—through dedicated staff, passionate speakers, and the simple yet profound conversations shared around a campfire or meal. Each moment spent at camp has the potential to ignite faith, deepen understanding, and equip campers to bring their renewed passion for God back into their homes and churches.

Our mission is to serve as an extension of the local church. We do not seek to replace the long-term relationships and mentoring opportunities that children and youth already have, but rather to strengthen and encourage them. Whether it’s through deep conversations, worship under the stars, or quiet moments of reflection in God’s creation, camp serves as a powerful catalyst for spiritual growth and renewal.

This life-changing experience is made possible by the generous support of our churches, donors, and guests. To continue providing these opportunities, we invite you to consider partnering with us through monthly donations.

Camper scholarship: assisting kids or families who may be experiencing financial challenges and cannot afford the cost of registration.

Above and Beyond: helping to build/create new activities for campers to enjoy and connect with new friends or cabin leadership.

Join us in making a lasting impact. Donate today and be a part of the transformation happening at Lake Beauty. Your support ensures that every camper—regardless of financial circumstances—has the chance to encounter God in a meaningful way.

Enrollment for summer camp and holiday family camp are open and filling up quickly. Log in to your account or call our offices to get signed up today!
