I absolutely LOVE camp! I love the chapel, the games, and the campers. Jesus has used LBBC to change my life by serving Him and being surrounded by the body of Christ. I love people and I am passionate about getting to know them and sharing Jesus with them. You'll often find me at a coffee shop, spending time with friends, or taking pictures. I love dad jokes and will laugh at just about anything. I cannot wait to take on another summer of service and fun at camp.

Hi, I'm Jenna! I am so excited to be returning to Lake Beauty again this summer! I attended Bethel University right out of high school to study Biology and now I'm receiving vet tech training at Ridgewater College. I am an animal lover :) We have 6 dogs on our farm, a couple horses, and lots of chickens - they are my favorite :) I can't wait to care for campers this summer as they learn more about Jesus!
